# Witch *Camp.*

Five days inside the thinning veil. Ritual, sound, fire,  
and a Deity Dance Party on Halloween night.

OCTOBER 29 · NOVEMBER 2 · 2026

LAFITTE, LOUISIANA · BY INVITATION

— WHAT THIS IS

# An immersive return to earth, ritual, and your own *inner knowing*.

Witch Camp is a deep dive into earth-based spirituality and esoteric practice, guided by queer facilitators and allies. An open invitation to step beyond inherited frameworks and explore what mysticism means for you. Build the rituals, the beliefs, and the personal practice that fits your life.

This is a space for exploration and remembering. For learning and practicing. For asking questions, trying things on, and deepening your relationship with the unseen in a way that feels grounded, intentional, and alive. You do not need to arrive with answers. You only need a willingness to participate.

## SUMMER CAMP FOR WITCHES.

A serene night scene in a swampy area. On the left, a log cabin with a porch is lit from within, with a small fire burning in the chimney. A wooden dock extends from the cabin into the water. In the center, a large, gnarled tree is heavily draped with Spanish moss. A full moon hangs in the sky, its light reflecting on the calm water. The overall atmosphere is quiet and beautiful.

LAFITTE, LOUISIANA

A waterfront property, *held just  
for us.*

# The heart of the *weekend.*

As the veil thins, we gather for a Deity Dance Party. Everyone arrives embodied as a god, goddess, spirit, archetype, or mythic force they feel called to honor, explore, or play with. Ancient, modern, invented, remembered, forgotten. If it moves you, it belongs.

The evening opens in indulgence. High-end desserts and crafted elixirs prepared by Chef Jake and the Haus of H culinary team. Sweetness as offering. Pleasure as part of the ritual. A drag performer hosts and emcees the night, guiding the energy and drawing the room into joy, mischief, and movement.

*When the clock strikes  
twelve and the fire burns  
high,  
we gather in circle beneath  
open sky.  
Deity-dressed, myth  
clothed in skin,  
we call the corners and let  
the work begin.*

# Curated flow. Embodied *practice.*

01

## Do I need a magical practice already?

No. Witch Camp is held for both lifelong practitioners and people brand new to ritual. The teachings meet you where you are without flattening for the beginner or holding back for the advanced.

---

02

## What does invitation-only mean?

We curate the room. Request an invitation, share why this is on your radar, and we will be in touch with next steps and the option to reserve. We are not gatekeeping, we are protecting the container.

---

03

## What is the lodging like?

Private or shared bedrooms inside a single waterfront property near Lafitte, Louisiana (precise location shared with confirmed attendees). All meals are prepared on-site by the Haus culinary team.

---

04

## Is travel included? What about access needs?

Travel is not included; you receive the exact location and travel guidance once confirmed. Witch Camp is a sober-supportive container, and we work with each guest individually on access and dietary needs ahead of time.
